

Yoga: The Nature's Way

One Shakti Yoga Retreat with Manish

6 DAYS from 7th to 12th June 2022 ** Fully Booked **
6 DAYS from 14th to 19th June 2022 ** Registration Open **

This special Yoga retreat will take place in the gentle rolling hills of Umbria - the green heart of Italy. Umbria is a peaceful region where “slow-life” is still an important value. Wildly green and full of olive groves which make authenticity one of its most beautiful characteristics.

Our yoga retreat venue is [The Lodge @ EQUILIBRIO.BIO](https://www.equilibrio.bio/). This is an *Agriturismo* venue – The Veggie Farm for a healthy stay, with an equivalent of 3-4 stars rating. This site is conveniently located at the borders with Umbria and Tuscany.

The lodge is situated in a magical green, bio diverse valley immersing you in nature and tuning you into its beautiful ecosystem. One can tap into the positive energy and flow of the lodge giving the tranquil space to rest, relax and rejuvenate.

A quiet resort with spacious eight deluxe en-suite bespoke rooms. The accommodation space is unique and beautifully quaint with twin sharing. Some rooms are very large with capacity for three to share.

So, is your heart saying something about this Yoga Retreat ... Interested? Then please read on...

The resort offers a purpose built yoga studio with wooden floor and yoga equipment of mats, belts, blankets, bolsters and bricks. There is also an outdoor flat grass area to have many sessions in Nature. There will be guided yoga sessions in the morning and late afternoon, offering more than 20 hours of guidance during the retreat days. And yoga “off-the-mat” will offer much more.

Yoga retreat programme will cover

- 🕒 Yogasanas - Movement and Postures
- 🕒 Pranayama
- 🕒 Relaxation and Meditation - Yoga Nidra, Silent sittings
- 🕒 Spiritually Inspiring and reflective sessions

Our stay at the Lodge will be on full-board basis offering three daily Vegetarian/Vegan organic and mostly home grown, healthy and gourmet meals. This will be a creative cuisine dining experience in "Al Fresco" style – buffet; we will eat together, share conversations and laughter over the meals. Herbal teas and mineral water will be made available throughout the day. Any specific dietary needs can also be catered for.

During the retreat days, two guided 3-4 hours hikes/walks are being planned to explore the nature’s ways. There will be many opportunities to do local personal walks, take quiet moments, book a personal Spa/therapy treatment or enjoy the Salt Pool during your relaxation time. I may offer an experience of extended period of silent moments during the retreat – an opportunity to enjoy your own company. Let’s make time and take space to detox our bodies with right food/drinks, and detox our mind from life stresses and electronic indulgence!

Testimonials

Few testimonials to share ...

“Your meditation and yoga, breathing teaching is exceptionally good - the way you instruct is so clear and insightful that it makes the learning very effective, safe and expertly facilitates getting into a flow in the practice. Your general ‘life-guidance’ fits seamlessly to the practices - they support each other and help me make sense of the bigger picture and smaller picture...”

“Thank you for once again providing the beautiful space and guidance at this year’s retreat, and offering to experience stillness and silence through all that you shared...”

“Your teaching style and direction have always been a great inspiration. I particularly liked the way you explained Prana, the connection with the breath and its effects on the body. How individuals are able to use their breath to create the right balance of energy for a practice or to tolerate the heat...”

“Your visualisation meditation towards the end of the practice was inspirational...”
